July crime cut in Madison

A 38.3 per cent decrease in major crimes during July from July 1976 was reported to the Madison City Council Tuesday night by Chief of Police Donald Bridick.

Second Ward Alderman Donald Broyles said, "I think he police are doing a fine job as this report indicates, and we as the police department."

The council concurred.

The report submitted by Bridick showed no criminal bornicide cases in July this year and none in the same month of 1976. One forcible rape case was reported last month, compared

The 1977 Inter-City Baseball League playoffs are set to get under way this Sunday, Aug. 14, with two sets of 7-inning doubleheaders in the semifinal bracket. bracket.
At East Alton, the East Alton
Brewers host the Music Room
Vans at 1 p.m. and at Wilson
Park in Granite City, Mercer
Mortuary plays Mitchell
Athletic Club.

Standings show the Vans at 23-3, Mercer 2)-6, Mitchell 19-7, Brewers 12-16, Thomas 11-17, Highland 9-16, Panama 3-18 and J and J 3-22.

Inter-City playoffs here

rained out Sunday, involving Mitchell vs. Thomas and Mercer vs. Van's.
J&J defeated the Brewers 9-2 and then lost 6-0, while Highland-Pierron edged Panama 5-3 and then bowed, 3-

(Continued fr. a \$1.1 million study into water problems in this region. Jacqueline Bruemmer, environmental planner in charge of the program, explained that the federal government has matters in the country be "fishable and swimmable," and by 1985, there should be "zero discharge of pollution into lakes and streams." She said the local authorities have no choice but to follow the dictates of the program, called "the 20s clean water planning program."

The same is derived from the section number of the federal bill setting the clean water standards.

bill setting the clean water standards.

Theadore Mikesell, executive director of SIMARPC, noted, "We must complete this plan by there are continued mandates to carry this on."

Mikesell contended the 161 governmental units in the three-county area can not solve water pollution problems on an incomplete of the county area can not solve water pollution problems on an incomplete of the county area of the county of the control of the county of the control of the county of the

mom Page 1)

Be noted the U.S. EPA has selected three target areas in the state—"the Chicago area, the greater Cairo area and us"—to start the program.

"One of the counties involved aiready has asked to be taken out of the counties involved aiready has asked to be taken out of the counties involved and the counties of the counties

He asked the more than 3,000 delegates and their families attending the special general session to support the Carter Administration in plans to reform wetfare and hold down. The county is at the "cutting edge" of programs that affect people, like education, law enforcement, land use and social services, he said.

"In Washington, we have people who have unlisted telephone numbers but I'll bet there isn't a county commissioner whose number you can't find."

Mondale said the economy "is moving again" and reported

Mondale said the economy "is moving again" and reported more than \$3 billion is going-to county government for new public works construction, public service jobs, summer

jobs for young people and direct aid to areas hard hit by the recession.

aid to areas hard hit by the recession. He also said that the President's government reorganization plan could ease governments. Description of the same series of th

slots will be created.
Mondale added that the administration "wants to work with you as a full partner in the business of government."
Washington understands the problems that county officials face and is determined to help provide the solutions. Bert Lance, director of the Office of Management and Budget. tolk officials contained the county officials and that the Carter that the county of t

Research by Venice student

Advanced chemical research

Advanced chemical research is being conducted this summer at Southern Illinois University at Edwardsville by a student from Venice High School. Carolyn Richmond, daughter of Mrs. Lillie Crowder, is participating in Project Catalyst, a program spamound the meal Society and Diamond Crystal Satt Co.

According to David Rands, professor of chemistry and appropriate project. Project Catalyst is for high school students who ree as a senior this fall, is interested in becoming a medical laboratory continuation of the project. When the senior this fall, is interested in becoming a medical laboratory continuation of the project of the pr

TENNIS COURTS GET FACELIFT. Workers Friday morning resurface the tennis courts of Granite City High School South in preparation of the beginning of school later this month. The courts will be topped with a color coat after the asphalt has been applied. The courts are located near Grand Avenue and 30th Street. Buildings of the

South campus may be seen in the background of this view looking east. It is expected that the courts will be ready for use in the annual Granite City Park District invitational tennis tournament, beginning Aug. 19, which utilizes the courts.

and try to make it through all of the equipment."

This has been an annual courrence for Federa for the last ten years. He got the Job as attletted from the state of the Job as attletted from the Job, he has seen a lot of changes. What about the attlette scene in the area as Fedora views it todaye thing that is different low is that while participation in interscholastic athletics six on the Job and Job

while North is a Class 4A school. Both are Class AA in other sports. But the fact that both schools are independent hampers their chances of getting into the playoffs, although North has succeeded although North has succeeded. However, for an independent, the playoffs, no matter how bad their record.

However, for an independent, the record must be created. However, for an independent suffers its exceed griding defeat, it can kiss the playoffs goodbye. Another change that Fedora has seen is the increase interest and participation of girls on the level of interest that the boys enjoy, girls are on the rise. Granite City has extensive interescholastic programs in girls sports at both high schools, while remarked at the junior ingths. Miss Barbara Kerch is the director.

Fedora is outspoken when it comes to defending the present Granite City District Nine and their programs of the director.

Fedora is outspoken when it comes to defending the present Granite City programs on the director.

Fedora is outspoken when it comes to defending the present Granite City programs on the director.

Fedora is outspoken when it comes to defending the present Granite City District Nine and the company of the concentrate on one sport and give it the bulk of the money, and the other sports are slighted."

But Fedora doesn't agree with that practice. "We have a good, solid program in all sports that we offer. We don't slight anybody." We would issue insert a good and the sport of the sport. "Fedora takes the attitude that the sport." Fedora takes the attitude that the sport. "It's not sport." The lessons that are learned from experiences on the playing field are just as important as those learned in the classroom; in fact, the prefers the EXTRA curricular in defining where sports fit in.

In Joe Fedora's case, the kids in District 9 get a little of both.

poving fational education intrough classroom and community services with the service of the serv

Woman choked on street here

on street here

Shiela Courtney, 18, of the
2400 block of East 24th Street,
told police at 7:10 p.m. Monday,
that she had been choked by a
man she did not know Sunday
She said she was walking in
the 2300 block of East 24th
Street about 10 p.m. Sunday
when a young man who had
been following her walked
behind her and started choking
Sho fell and the man said he
made a mistake and thought she
was someone else and asked he
not to call the police. He then
left and she went home.
After considering the incident, she decided Monday
sight to call so her neck and
she said there had been some
internal bleeding.
She described her assailant as
being about 5 feet, 11 inches full,
of medium build and having
brown shoulder-length cut?
and she said there had been some
internal bleeding.

Venice Retired chapter discusses area conclave

The Venice Chapter of the American Association of Retired Persons met during the weekend in the Venice Recreated meeting. The president, Mrs. Jane Martin, was in charge of the meeting and prayer was offered by the Rev. Ervin Koonce, chaplain. Plans were discussed for attendance at the 1977 AART great convention. Sept. 14-16.

Reports were made by Mrs. Mahala Griggs, legislative chairman, concerning changes in the food stamp program, the city ordinance on weed cutting and clean-up of property, and use of the senior citizens' mini-

and clean-up of property, and also of the senior citizens' minibus.

The membership committee introduced Lee R. Jones ås a new member of the chapter.

Mrs. Janie Robinson and Mrs. John Williams were named as hostesses for the September Refreshments were served by Rev. Koonce and Mrs. Nipa Payne.

A special program on various types of insurance available to members will be given at the September needing, which will be on Sept. at all on their.

The chapter will also conduct a "silent auction." All interested persons are being invited to attend.

"We are still soliciting new members for our AARP chapter. Our meetings are held on the first Friday of each month at 1:30 in the Venice Recreation Center, 323 Broadway," Mrs. Martin said.

cheek humor is generally misunderstood. But he's in radio for fur the's in the selectives we all do well to laugh, and his brand of agitation brings laughter, as well as threats. The selectives well as threats. The selectives well as threats. The selective is the small passes of the small passes

cents worth in, our are already some common and the center of many rumors. Among he stories, these are the top 10.

1. It was said that Scarecrow has a 10-foot fence, four guard dogs, two 20-foot towers (with machine guns) and a Sherman tank in the garage.

2. Some say he has a 100-ft. tower with a blinking red light.

3. Some think he used to be a

ham radio operator.
4. It was said he was a pitcher for the Boston Red Sox for 12 years.
5. He was supposed to have been with the Grand Ole Opry

They were told that they must have a membership in a certain club to talk on sideband. Scarecrow and Capone refused, saying they didn't believe in the clubs. And of the can't be sure which happened first. We do know that a vote was taken among four guys to make channel 16. It was said that he was a pitching coach with the Cardinals for 12 years. A comment of the coache of the coache of the can't be sure which had been an almost expense of the coache of the coa

Great outdoors attracts campers

Personality development and the lore of the outdoors have received emphasis this summer for 61 children from Granite City, Madison, Venice and other parts of Madison County. They attended the personal control of the County for the Camp was jointly sponsored by the Granite City Madison County Housing Authority, David Morgan, executive director; the Camp was jointly sponsored by the Granite City and County Housing Authority, Edward Foley executive director; and Camp County Housing Authority, Edward Foley executive director; and appreciation of the outdoors and the marvels of creation, and to develop a positive self-image of worth and potential.

Other objective come happier, self-accepting individuals with

worth and potential.

Other objectives were for the youngsters to become happier, self-accepting individuals limited to the control of the community.

Children attending from the Quad-Cities were Jeff Waters, Guena Waters, Robert Waters, Gena Waters, Michael Downs,

Carolyn Evans, Martin Evans.
Christie Evans, Richard Coin,
Dawn Reid, Andrew Reid,
Angela Warren, Billy Warren,
Richert Dunn, Barbara Dunn,

Long critical of unsound Sanitary Board policies, local

The Press-Record in 1965 prepared and published a series of articles outlining ills of the East Side Levee and Sanitary District, culminating in the state legislative hearing described in an article elsewhere

of the East Side Levee and Santary District, culminating in the state legislative hearing described in an article elsewhere on this page.

Unfortunately, efforts to achieve adequate procedulary guidelines through General State of the State Control of the State

manner.

Reform proposals certainly are easy for a board majority to follow, even if the state legislative realities make it difficult to spell them out in precise detail and focus them on the Sanitary District from 100 miles

The district's responsibility to help provide needed drainage and sewer lines ought to be taken seriously, and met, rather than being used as an excuse for spending sprees. There ought to be no non-sesential hiring, and everyone on the staff should work conscientials hiring, and everyone on the staff should work conscientials. The staff should work conscientials have a summarized to the staff should work conscientials be made with due to the staff should work conscientials be made in a sound manner, following full and fair one public to the triered and avoided wherever possible, and overall avoided wherever possible, and overall symptomic public ought to be triered and spanding to the triined saff saff should be suffered as the staff should be suffered as the logic and necessity

Thousands of words have been written on the subject on many occassions, but there is nothing complicated about what is

there is nothing complicated about what is a Elected and appointed officials public servants — ideally set policies and implement them in a way that benefits their bosses, the citizens. When this relationship is reversed and there is a "public bed arned" attitude, situations like the levee board result, and the state of the state of the state of the district of th

This community pays the bulk of the district's property taxes, in hard-earned dollars from local residents' pocketbooks. The rest of Madison County doesn't have to pay, but bears some of the moral burden because the County Board ratifies sanitary

because the county boat can be beard appointments.

The Quad-Cities and Madison County now will have the opportunity, ability and duty to make all the hopes for a responsible sanitary district a shining reality.

GRANITE CITY PRESS-RECORD Thurs., Aug. . 11, 1977 Page 46

Retirement age individual issue?

Press-Record Bureaus — The issue may not exactly be one that should be written into federal law. But it's worth a lot flought.

Secretary of Labor Ray Marshall is among those supporting a mandatory from adopting a mandatory retirement age below that of 70 years.

and employe.

Using a law as an out is not generally successful in the long

generally successful in the long ran.

Another, more far-reaching, reason for the mandatory retirement age has been to open opportunities, and the respective of the secondary of the secondary of the secondary. Marshall obviously was thinking of this when he said eliminating a mandatory retirement age "might creats some problems... If we have a full-employment economy.

there will be much less resistance to lifting the ceiling on retirement ages."

Louis.
The hearing was the last in the commission's current in-

the commission's current in-vestigation. The six-man joint Senate-House commission, headed by Sen. John A. Graham, R-Barrington, heard nine wit-nesses. It has a May 15 deadline for submitting any proposed legislation growing out of its

legislations growing out of its beginning growing out of its built. Friday's hearing was in sharp constrast to an earlier session March 26 in Granite City when the witnesses consisted principally of levee board trustees, employes and former employes. At that time, largely through the effort on St. Dchiego, questioning was confined and the control of the commendation from the commendation of the

bills merceasing the availability of bod fursiles. Sen Graham took over most of the questioning Friday, however, and went more extensively into facts surrounding levee district bond issues, employment procedures and other operational factors, obtaining from several witnesses proposals, that the abolished. Sen of the completely abolished. The completely of the completely

resulting from the Friday hearing included:

1. Lawrence Tolar, president of the levee board, admitted an advance agreement had been signed with the bonding firm of Townsend, Davney and Tysoo of Boston, Mass. for sac series of the state of

pole.

What the issue boils down to — in 1977 as in 1965 or any other year since 1907 — is whether the taxpaying public is going to be treated properly and whether needed services are to be provided in an effective manner.

FRBB!

hard-coat Teflon for easy cleaning, extra-thick aluminum for even heating

Freedom from constant care and repair. Because it's aluminum, sun and exposure can't crack it, warp it, split it! Cold, rain and wind can't weaken it or rot it. Weather is locked out, year around comfort locked in.

Protection against roof fire. Because it's aluminum, it will not ignite from flying sparks, falling embers or other outside sources of fire. Kaiser Aluminum Rustic Roof protects as it beautifies!

Value Check List

- ☐ Baked-On Color
- ☐ Will Not Split, Rot
- ☐ Will Not Warp, Crack
- ☐ Locks On All 4 Sides
- ☐ Protection from Sparks and Embers
- ☐ Upgrades Value of Home

In addition, Kaiser Aluminum Rustic Roof and House Siding has been tested against high-velocity winds and water leakage by the University of Miami.
